THE TEAM BUILDING EVOLVES

The Photographic Treasure Hunt is a modern revision of the classic treasure hunt and allows the company to experience real Team Building, discovering the Borromean Gulf in an harmonious atmosphere. The Photographic Treasure Hunt will take part through the paths of the Fisherman island, the majestic Bella island and the enchanting scenery of Baveno lakeside. Our trainers will be in Baveno and on the islands and will ensure the proper and safe conduct of the race, providing the requested support to each team or each participant if needed. The team that will accumulate the highest score reaching the required points of interest will win the race. The amazing activity is well planned and does not require physical skills, and each participant becomes essential in achieving the final goal.

SPORT & FUN

From tennis to padel. From soccer to beach volleyball. Sport and fun guaranteed!

#OVESTEXPERIENCE

SHORT DESCRIPTION

When sport calls, the athlete in us subconsciously responds. And this is how the Olympic Games field version was born. Padel, tennis, five-a-side football and beach volleyball.

Padel is the sport of the moment, managing to bring young and old together in exciting matches. The fact that it is easy to learn, even first-time players are pleasantly surprised. It may happens that our participants also discover a new hobby!

Tennis has a great charm. The red clay, the sun and the big names of the most famous tournaments in the world mean that as soon as they enter the field everyone feels professional tennis players. And that's where the real fun begins.

Soccer, his Majesty, the most famous sport specialty in the world. Perfect for recreating the healthy competition that distinguishes evening games with friends.

Beach volley is the typical summer activity that requires great prowess and physical endurance, it is the icing on the cake of a day dedicated to sport, as a team and individual, which aims to entertain but also unite and make a team!

CARDBOARD BOAT

We are all in the same boat...let's start building!

#OVESTEXPERIENCE

SHORT DESCRIPTION

We are all in the same boat...let's start building! During the Cardboard Boat activity, teams will have to handle an intriguing challenge: design, build, and race a cardboard boat! Not just to stay afloat but to win.

After the teams forming, trainers will describe technical project indications and some coordination and communication exercises. Participants will start designing and building the boat for the final race.

AN INTERESTING CHALLENGE WITH RECYCLED MATERIALS

#OVESTEXPERIENCE

CATAMARAN CHALLENGE

To be all in the same boat, you must first build it

#OVESTEXPERIENCE

SHORT DESCRIPTION

After an initial briefing, each Super Team will be broken down going to form mini teams of 3 components

Construction

Mini team 1: Inflate the floats

Mini team 2: Assemble the wooden supporting structure

The two mini teams combine floats and wooden structure, completing the boat by affixing the net.

Testing and strategy

Now we need to study the strategy: understand how to position yourself on the raft to be able to row as fast as possible without ending up in the water.

Let's go!

Once all the boats are positioned on shore, the relay starts with the first crew having to round the buoy and return to shore. The crew that arrives in the shortest time without capsizing wins.

SAILING REGATA

The best Team Building metaphor

#OVESTEXPERIENCE

SHORT DESCRIPTION

A day between dribbling, tactics and strategies to reach the buoy! Team Sailing consists of a top-level training activity: a real competition on the water, where also the beginners will experience the thrill of the challenge. As in the company, the participants will have to use techniques and strategies to reach the final goal. The activity can also be carried out for numerous groups.

The Team Building activity will be preceded by the creation of the teams according to the company's vision and needs. The sailing coach will explain the basic techniques through a formative briefing, after which the competition on the water will start (match race or fleet regattas). The activity will end with the debriefing and the prize giving.

CROSS GOLF

Precision and strategy to learn a new game

#OVESTEXPERIENCE

SHORT DESCRIPTION

Cross golf is a stage circuit with increasing goals and difficulties, which can be set up in any spacious outdoor area. The course "holes" are created with a whole variety of materials.

Participants are split into teams and each group has to meet the different challenges in rotation: 10 minutes to complete the task and move on to the next stage. The team that completes the course with fewer shots wins. The stages are designed according to the needs and themes that the company wants to address. Obstacles and natural targets form part of the course to make interaction with the natural surroundings: a key component of the activity. Qualified coaches and trainers guide the participants.

Adrenaline, lots of fun and competition on racetrack!

#OVESTEXPERIENCE

SHORT DESCRIPTION

An exciting challenge on the racetrack to enjoy the thrill of a four-wheels challenge. An activity that enhances the competition and allows everyone to enjoy a fantastic day of outdoor sports. The activity begins with the initial briefing to explain driving techniques and then the group will be split into smaller subgroups.

Before starting the race, each group will have 10 minutes of free practice, during which each participant will be timed to determine the timings for the starting grid. The Karts will be then placed on the starting line and the race will begin: each group will drive 10 laps of the track. After each group has faced the challenge, the rankings will be scheduled according to the timings. The top six of each group will face each other in one last final race that consists of 13 laps, in order to determine the final winner. After the competition, the activity will end with the prize giving.

TEAMBUILDING ORIENTEERING

A stimulating challenge in a difficult environment

#OVESTEXPERIENCE

SHORT DESCRIPTION

In an Orienteering competition, the group has a very clear result to obtain. Tablet with the map, compass and some spirit of adventure will be the only tools they will use to find their way in an unknown, savage place.

Orientation consists of carrying out a predefined path in natural environments featuring checkpoints called "lanterns" indicated by circles (centered in the object to be found). Each group follows the path by itself with the exclusive help of a compass and topographic map shown on the tablet. The map is very detailed on a small scale (from 1: 4000 to 1: 15,000) and contains details of the place to go.

TEAMBUILDING PAINTBALL

Fast rhythm, high tension, fun and excitement

#OVESTEXPERIENCE

SHORT DESCRIPTION

Paintballing is a corporate Team Building activity whose aim is to hit opponents with a gun that shoots coloured jelly balls. You don't need to be physically fit; it's all about working together with your colleagues and accomplishing challenging goals as a team: to succeed you need a well-devised strategy, careful planning and effective teamwork. The camp is surrounded by 3000 square meters of fenced forest, a unique and breathtaking setting for those who love nature and adrenaline.

Participants arrive at base camp and receive their safety gear, guns and unlimited paintballs. Before starting the activity, trainers explain the rules of paintballing and the required safety precautions. Players are split into teams and will have to complete a variety of tasks whilst trying to hamper the progress of the opposition, removing them from the game by marking them with the paintball gun. At the end of the activity the trainers, after observing the dynamics of the game, interact with the players in a debriefing session. The game's focus on teamwork and strategy combined with pure, adrenaline-pumping fun makes for an unforgettable experience.

TEAMBUILDING CANYONING

Lake Maggiore and its Valleys: a paradise for Canyoning

#OVESTEXPERIENCE

SHORT DESCRIPTION

Canyoning is an ideal river sport activity for a dynamic and active Team Building, which allows participants to overcome personal limits thanks to the collaboration and coordination of the group. During the team building, the team will be in contact with an unspoilt natural environment to discover the Canyons, natural pools excavated from the water erosion connected by long slides of smooth rocks.

During the Canyoning activity, a Guide will accompany participants through an emotional and intense adventure in complete safety. After an initial briefing about the skills of the participants, the activity will start in the wilderness, descending with ropes and climbing harnesses inside suggestive Canyons.

TEAMBUILDING ROGAINING

Outdoor team experience

#OVESTEXPERIENCE

SHORT DESCRIPTION

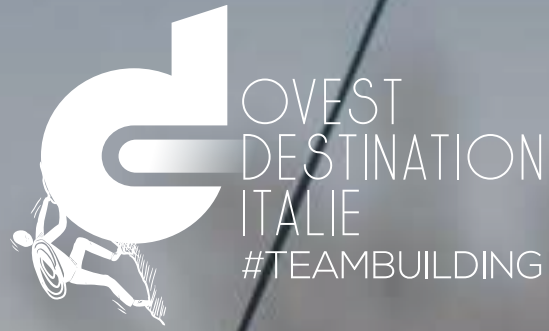

Rogaining is a variant of Orienteering, similar to Trail Running. It takes place on a variable distance and involves both route planning (strategy) and navigation between the checkpoints that you have chosen to reach.

Rogaining is an Orienteering challenge with a larger covered area, where there are many more lanterns: each lantern has a score proportional to the distance or to the difficulty reached on the path. At the end, the total points will be calculated for each team. Teams can compete with each other or collaborate on a common strategy.

DYNAMIC ARCHERY

Adrenaline, strategy, team work and fun

#OVESTEXPERIENCE

SHORT DESCRIPTION

Participants will be given their security equipment, the bows and the arrows with protected tips.

The activity develops in three moments: the first part of the activity consists in acquiring the basic skills of the static archer and then the dynamic archer, one of the latest sports news of the ASI - CONI Sports Promotion Organization; the second part of the contest, very short, is based on learning the rules of the game and safety procedures, the third and final part is the exciting team tournament, an experience not to be missed!

On the battlefield only action! Communication will be difficult and the disturbing variables will inexorably change the plan of attack agreed at the table.

The leader will have to manage the team but it will not be easy ... The temptation to get out of the "schemes" will be too high for someone. Only the team that will work compactly towards its goal, which will find the courage to make the right decision at the right time, which will better manage the quick dynamics of the game, will win the battle!

#OVESTEXPERIENCE

SHORT DESCRIPTION

Padel (or Paddle) is similar to tennis and was born in Argentina. The field (20mt x 10mt) is surrounded by glass panels or metal mesh panels. There is no "out court".

Few important rules distinguish this sport from the others: the back walls are part of the game court, so that if the ball bounces against them it can be hit by the racket.

Our trainer master, Thomas, will enter you into the panel world with a short briefing and ah half an hour practice. After this introduction a tournament and a final will be held.
